Chepauk, MADRAS-5.

Sir,

AGRICULTURE - Grow More Food Compost Development - Common sites for compost pits and trench latrines in areas other than Projects and Block s- Instructions - Report submitted.

-:o:-

Ref:-Govt.Memo.No.36892/F.P.VC.52.9 Agri.(FP)dated 7.6.55.

-:o:-

It is seen from the Government memo cited that Malabar has been exempted from the scheme on the ground that conditions differ in that District. Apparently, the fact that the houses are all scattered and are not in a group in any of the villages in Malabar must have weighed with the Government in making the exemption. The same conditions as in Malabar prevail in this district also, where in fact the houses are more scattered than in Malabar and therefore the scheme is not suitable for this District as well. I therefore submit that this District may be exempted from the implementation of the scheme, as it is not practicable to implement it with advantage.

Yours faithfully

regarding S.Kanara Dt.

p1 cf From the Collr. S.K. No LDis 21599/55 dt 14/12/55

Para in p 3 cf (A) According to the recommendation of the State Compost Development committee meeting held on 14.2.1952 a scheme of setting apart separate common sites for compost pits and trench latrines wherever necessary in each village in the Selected firkas and centres p 3 cf (A) was ordered to be implemented in Govt. Memo 36983 R.W.1/52-3 dt 15.9.52 Instructions in this regard were issued p 107 cf (A) in Memo no. 36892 FDE cf 52-8 dt 7.6.55. The question of introducing the scheme in areas other than Projects and Blocks was examined and it was decided to implement the scheme in all the dts except Malabar as it was reported by the Board of Revenue Para 3 p 124 (A) (LR) and the Collr. of Malabar that p 57 cf (A) it would be impracticable to introduce the scheme in that distn

as each house in that Dt. had a separate compound with latrine and compost pit and that there is no necessity for common sites for the same. | MP 57 4/A.

Orders were therefore issued in Govt. Memo. no. 36892 PP IV/52-9 7-6-55 that the scheme mentioned above should be implemented in all the Dts. except Malabar.

The Collr. of S. Kanara has since reported that the same conditions as in Malabar prevail in his Dt. also and that the houses in that Dt also are scattered. He therefore requests that this Dt. also may be exempted from the scheme. ~~As the Malabar Dt. was exempted from introducing the scheme for the same reason as reported by the Collr. S. Kanara.~~ Hence the S.K. Dt. may also be exempted from the scheme of setting apart common sites for compost pits and trench latrines. | P 1 ef | P 1 ef | M P 1 ef | P 57 4/A | Mg
